EXPLANATORY MEMORANDUM TO NOTICE OF ANNUAL GENERAL MEETING

ITEM 1 - Financial Report – Year Ended 30 June 2024

The *Corporations Act 2001* (Cth) (“Corporations Act”) requires the financial report (which includes the financial statements and the Directors’ declaration), the Directors’ report and the Auditor’s report to be laid before the AGM. There is no requirement either in the Corporations Act or in the Constitution of the Company for shareholders to approve the financial report, the Directors’ report or the Auditor’s report.

This item of business provides shareholders with a reasonable opportunity to ask questions concerning or make comments on the Company’s financial statements and reports for the year ended 30 June 2024, the Company’s performance generally and the management of the Company. A representative of the Auditor will be attending the Annual General Meeting.

As a shareholder, you are entitled to submit a written question to the Auditor prior to the Annual General Meeting provided that the question relates to:

- the content of the Auditor’s report; or
- the conduct of the audit in relation to the Financial Report.

All written questions must be received by the Company no later than **21 November 2024**. All questions must be sent to the Company and may not be sent direct to the Auditor. The Company will then forward all questions to the Auditor.

The Auditor will answer written questions submitted prior to the Annual General Meeting.

The Auditor will also answer questions at the meeting from shareholders relevant to:

- the conduct of the audit;
- the preparation and content of the Auditor’s report;
- the accounting policies adopted by the Company in relation to the preparation of the financial statements; and
- the independence of the Auditor in relation to the conduct of the audit.

RESOLUTION 2 - Remuneration Report

The Directors’ report for the year ended 30 June 2024 contains a Remuneration Report which sets out the policy on remuneration of the Directors of the Company and specified executives of the Company.

The Directors believe that the Company’s remuneration policies and structures as outlined in the Remuneration Report are appropriate for the size of the Company, its business and objectives.

The Corporations Act requires that a resolution be put to the vote that the Remuneration Report be adopted. The Corporations Act expressly provides that the vote is advisory and does not bind the Directors of the Company. However, if at least 25% of the votes cast are against the adoption of the Remuneration Report, the Company’s next Remuneration Report must explain the Board’s proposed action in response or explain why no action has been taken.

In the following year, if at least 25% of the votes cast on the resolution that the Remuneration Report be adopted are against adoption, shareholders will then vote to determine whether the Directors, excluding the managing director, will need to stand for re-election (a “Spill Resolution”). If more than 50% of the votes cast on the resolution are in favour, a separate spill meeting must be held within 90 days.

At the Company’s 2023 Annual General Meeting, a “first strike” was not recorded in respect of the Remuneration Report. Accordingly, a Spill Resolution is not relevant for this Meeting.

Members attending the AGM will be given a reasonable opportunity to ask questions about, or make comments on, the Remuneration Report.

The Board (excluding Mr. Baxter) recommends that shareholders vote in favour of the election of Mr. Baxter as a Director of the Company.

Non-Executive Director (appointed as a Director 10 June 2024)

A practising lawyer, Ms Nkosi-Thomas is a Senior Counsel and a member of the Johannesburg Bar, having been called to the Bar in November 1994. In 2009 she was conferred the status of silk by the President of the Republic of South Africa.

Among her various directorships, Ms Nkosi-Thomas serves as Chair of Miracle Upon Miracle Investments Proprietary Limited (MUM), the private company which owns the rights to the Bengwenyama PGM project through a joint ownership structure in which Southern Palladium holds a 70% stake in MUM, and the remaining 30% is held by a company wholly-owned by the local Bengwenyama community.

Recommendation

The Board (excluding Ms Nkosi-Thomas) recommends that shareholders vote in favour of the election of Ms Nkosi-Thomas as a Director of the Company.

RESOLUTION 5 – Re-Election of Mr Daniel (Daan) van Heerden as a Director

Non-Independent Non-Executive Director (appointed as a Director 27 May 2021)

Mr van Heerden holds a M.Com., a B.Eng Mining Engineering and has a Mine Managers Certificate from the SA Chamber of Mines. He has over 30 years’ experience in the mining industry and has obtained significant experience in managing mining operations in South Africa and abroad, both underground and open cast, for world-class major mining companies and for junior mining companies. He was responsible for new business development for two major mining companies and has experience in mining mergers and acquisitions. He is currently heading the Mining Engineering division of Minxcon, where he is involved in

activities such as valuation, due diligence, finance structuring, change management required post the event, feasibility studies, life of mine plans, technical reviews and writing of technical reports for various commodities.

Mr van Heerden holds an indirect interest in the Company through a trust which holds shares in Nicholas Daniel Resources Proprietary Limited and is also a Director of Nicholas Daniel Resources Proprietary Limited. Nicholas Daniel Resources Proprietary Limited holders is the largest shareholder in the Company with 12,656,992 shares representing 14.11% of the issued capital of the Company. As a result, Mr van Heerden is regarded as a Non-Independent Non-Executive Director.

Recommendation

The Board (excluding Mr van Heerden) recommends that shareholders vote in favour of the re-election of Mr van Heerden as a Director of the Company.

INFORMATION IN RELATION TO RESOLUTIONS 6 TO 10 – THE PROPOSED ISSUE OF OPTIONS TO DIRECTORS

At the time that the Company conducted its initial public offering (IPO) and listed on the ASX and the JSE in 2022, the Board resolved to take Directors Fees as a mixture of cash and options in order to preserve the cash resource of the Company and further align the interests of Directors with those of shareholders. The options issued to Directors in 2022 had a four year term and an exercise price of \$0.875 being a 75% premium to the IPO price. They formed part of the Directors Fees for the financial years ended 30 June 2023 and 2024.

In reviewing the Directors Fees for the year commencing 1 July 2024, the members of the Board have again determined that, subject to shareholder approval, Directors Fees would again be taken as a mixture of cash and options, with the decision as to whether to take the options in lieu of a portion of the cash fees being at the discretion of each Director. This serves to incentivise Directors, to increase alignment with shareholders' interests and to maximise Company value whilst also preserving the Company's cash resources.

Subject to shareholder approval of resolutions 6 to 10, it is proposed that the Chairman be allotted 250,000 options and all other Directors be allotted 125,000 options with an expiry date of 30 September 2027 and an exercise price of \$0.70 being a 75% premium over the 20 day VWAP of the Company's share price as traded on the ASX up to 30 September 2024 (Options).

Subject to certain exceptions, ASX Listing Rule 10.11 provides that a company must not issue or agree to issue equity securities to a related party without the prior approval of the holders of its ordinary securities. Directors of the Company are related parties.

Resolutions 6 to 10 seek approval under ASX Listing Rule 10.11 to issue Options to Directors of the Company.

Under Chapter 2E of the Corporations Act, for a public company to give a financial benefit to a related party of the public company, the public company must:

- obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and
- give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

It is the view of the Board that the exception set out in section 211(1) (allowing the giving of a financial benefit that is reasonable remuneration) applies in the current circumstances. Accordingly, Shareholder approval is sought for the issue of the Options under ASX Listing Rule 10.11 as contemplated by Resolutions 6 to 10, but not under Chapter 2E of the Corporations Act.

RESOLUTION 6 - Proposed Issue of Options to Mr Roger Baxter (Executive Chairman)

Mr Roger Baxter was appointed by the Board as a Non-Executive Director and Chairman of the Board on 1 January 2024 and was appointed Executive Chairman on 8 October 2024.

Resolution 6 seeks shareholder approval for the allotment of 250,000 Options to Mr Baxter as part as the remuneration that he receives as the Executive Chairman of the Board. The Options will have an expiry date of 30 September 2027 and an exercise

price of \$0.70 being a 75% premium over the 20 day VWAP of the Company's share price as traded on the ASX up to 30 September 2024.

If resolution 6 is passed, the Company will be able to proceed with the allotment of Options to Mr Baxter which will form part of his remuneration.

If resolution 6 is not passed, the Company will not be able to proceed with allotment of Options to Mr Baxter and the Company will instead be required to pay the full amount of Mr Baxter's Directors Fees in cash which will take away the incentive value of the proposed Options and potentially diminish the expected alignment with shareholders' interests. If the Company is required to pay the full amount of Directors Fees in cash rather than making the proposed allotment of Options to Mr Baxter this will have the effect of depleting the Company's available cash resources.

6.1 Specific information required by Listing Rule 10.13

Pursuant to ASX Listing Rule 10.13, the following information is provided in relation to Resolution 6:

- i. The Options are to be issued to Mr Roger Baxter (or his nominee).
- ii. Mr Baxter is a related party by virtue of being a Director of the Company which falls within Listing Rule 10.11.1;
- iii. A total of 250,000 Options are to be allotted to Mr Baxter.

Options shall vest on a daily accrual basis over a 12 month period commencing 1 October 2024 and ending 30 September 2025. Options cannot be exercised unless vested in accordance with the terms of issue. The Options will be issued on the terms set out in Schedule 1.
- v. The Options will be granted no later than 1 month after the date of the Annual General Meeting and it is anticipated that the Options will be allocated on one date.
- vi. The Options which are the subject of this resolution will be issued to Mr Baxter as part of his remuneration. The Company will not receive any additional consideration for the issue of these Options.
- vii. The purpose of the issue of these Options to Mr Baxter is to serve as part of Mr Baxter's Directors Fees.
- viii. Mr Baxter's total current remuneration for the financial year ended 30 June 2025 will be comprised of cash in the amount of \$130,000 and the Options being the subject of this resolution which have been valued at \$30,000.

6.2 Recommendation

The Directors (other than Mr Baxter) recommend that Shareholders vote in favour of Resolution 6.

Subject to the voting exclusions set out in the Notice of Meeting, the Chairman of the meeting intends to vote undirected proxies in favour of Resolution 6.

RESOLUTION 7 - Proposed Issue of Options to Mr Nicolaas Johannes (Johan) Odendaal (Managing Director)

Mr Johan Odendaal was appointed by the Board as a Non-Executive Director of the Board on 27 May 2021 and became Managing Director upon completion of the acquisition of the Company's 70% interest in Miracle Upon Miracle Investments Proprietary Limited which holds 100% of the Bengwenyama Project located in the Eastern Limb of the Bushveld Complex in South Africa.

Resolution 7 seeks shareholder approval for the allotment of 125,000 Options to Mr Odendaal as part as the remuneration that he receives as Managing Director of the Company. The Options will have an expiry date of 30 September 2027 and an exercise price of \$0.70 being a 75% premium over the 20 day VWAP of the Company's share price as traded on the ASX up to 30 September 2024.

If resolution 7 is passed, the Company will be able to proceed with the allotment of Options to Mr Odendaal which will form part of his remuneration.

If resolution 7 is not passed, the Company will not be able to proceed with allotment of Options to Mr Odendaal and the Company will instead be required to pay an additional amount as remuneration to Mr Odendaal in cash which will take away the incentive value of the proposed Options and potentially diminish the expected alignment with shareholders' interests. If the Company is required to pay the value of these Options in cash to Mr Odendaal, rather than making the proposed allotment of Options to Mr Odendaal this will have the effect of depleting the Company's available cash resources.

7.1 Specific information required by Listing Rule 10.13

Pursuant to ASX Listing Rule 10.13, the following information is provided in relation to Resolution 7:

- i. The Options are to be issued to Mr Nicolaas Johannes Odendaal (or his nominee).

- iii. A total of 125,000 Options are to be allotted to Mr Odendaal.
- iv. The Options have an expiry date of 30 September 2027 and an exercise price of \$0.70. Each Option will be exercisable for one Share and Shares issued on exercise of the Options will rank equally with fully paid ordinary Shares. Options shall vest on a daily accrual basis over a 12 month period commencing 1 October 2024 and ending 30 September 2025. Options cannot be exercised unless vested in accordance with the terms of issue. The Options will be issued on the terms set out in Schedule 1.
- v. The Options will be granted no later than 1 month after the date of the Annual General Meeting and it is anticipated that the Options will be allocated on one date.
- vi. The Options which are the subject of this resolution will be issued to Mr Odendaal as part of his remuneration. The Company will not receive any additional consideration for the issue of these Options.

On 14 May 2024 the Company announced that in accordance with Listing Rule 3.16.3, BDO Audit Pty Ltd (BDO Audit) had been appointed as auditor of the Company.

The appointment followed the resignation of BDO Audit (WA) Pty Ltd (BDO WA) and ASIC's consent to the resignation in accordance with Section 329(5) of the Corporations Act.

The change of auditor arose as a result of BDO WA restructuring its audit practice whereby audits will be conducted by BDO Audit, an authorised audit company, rather than BDO WA.

In accordance with Section 328B(1) of the Corporations Act, the Company has received a nomination from a member of the Company (Stith Pty Ltd) nominating BDO Audit for appointment as the Company's Auditor. RESOLUTION 12 – Approval of Additional 10% Placement Facility

The Company is seeking Shareholder approval by way of a special resolution to have the ability to issue Equity Securities under the 10% Placement Facility to provide the Company with additional flexibility to issue Equity Securities in appropriate circumstances. The exact number of Equity Securities to be issued under the 10% Placement Facility will be determined in accordance with the formula prescribed in ASX Listing Rule 7.1A.2 (described further below).

ASX Listing Rule 7.1A

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over the relevant 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

Under Listing Rule 7.1A, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, allowing the Company to have an additional 10% capacity to issue securities for the relevant period.

An 'eligible entity' means an entity which is not included in the S&P/ASX 300 Index and which has a market capitalisation of \$300 million or less. Southern Palladium Limited is an eligible entity for these purposes.

Resolution 12 seeks Shareholder approval by way of special resolution for the Company to have the additional 10% capacity provided for in Listing Rule 7.1A to issue Equity Securities without Shareholder approval (**10% Placement Facility**).

If Resolution 12 is passed, the Company will be able to issue Equity Securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If Resolution 12 is not passed, the Company will not be able to access the additional 10% capacity to issue Equity Securities without Shareholder approval provided for in Listing Rule 7.1A and will remain subject to the 15% limit on issuing Equity Securities without Shareholder approval set out in Listing Rule 7.1.

Further requirements of Listing Rule 7.1A

10% Placement Period

Shareholder approval of the 10% Placement Facility under ASX Listing Rule 7.1A is valid from the date of the annual general meeting at which the approval is obtained and expires on the first to occur of the following:

- the date that is 12 months after the date of the annual general meeting at which the approval is obtained (which, in the case of Resolution 12 will be 28 November 2025);
- the time and date of the Company's 2025 annual general meeting; or
- the date of the approval by holders of ordinary securities of a transaction under ASX Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking), or such longer period if allowed by ASX,

(“**10% Placement Period**”).

Class of Equity Securities issued under ASX Listing Rule 7.1A

Any Equity Securities issued under the 10% Placement Facility must be in the same class as an existing quoted class of Equity Securities of the Company. The Company currently has only one class of quoted Equity Securities on issues being Shares (ASX Code: SPD).

Issue price of Equity Securities issued under ASX Listing Rule 7.1A3

The issue price of Equity Securities issued under ASX Listing Rule 7.1A must be not less than 75% of the VWAP of Equity Securities in the same class calculated over the 15 Trading Days immediately before:

- the date on which the price at which the Equity Securities are to be issued is agreed; or
- if the Equity Securities are not issued within 10 Trading Days of the date in the paragraph above, the date on which the Equity Securities are issued,

(the “**Minimum Price**”).

ASX Listing Rule 7.1A4

The Company will comply with the disclosure obligations under ASX Listing Rule 7.1A.4 when it issues Equity Securities under ASX Listing Rule 7.1A.

Formula for calculating 10% Placement Facility

At the date of this Notice, the Company has 89,750,000 Shares on issue (“A” in the formula below) and therefore, based on current circumstances 8,975,000 Shares will be permitted to be issued in accordance with Listing Rule 7.1A. The number of Shares that may be issued is calculated in accordance with the following formula:

(A x D) – E

A is the number of fully paid ordinary securities on issue at the commencement of 12 months immediately preceding the date of issue or agreement to issue (the relevant period):

- plus the number of fully paid ordinary securities issued in the relevant period under an exception in rule 7.2 other than exception 9, 16 or 17;
- plus the number of fully paid ordinary securities issued in the relevant period on the conversion of convertible securities within rule 7.2 exception 9 where:
- the convertible securities were issued or agreed to be issued before the commencement of the relevant period; or

- the issue of, or agreement to issue, the convertible securities was approved, or taken under these rules to have been approved, under rule 7.1 or rule 7.4;
- plus the number of fully paid ordinary securities issued in the relevant period under an agreement to issue securities within rule 7.2 exception 16 where:
 - the agreement was entered into before the commencement of the relevant period; or
 - the agreement or issue was approved, or taken under these rules to have been approved, under rule 7.1 or rule 7.4;
- plus the number of any other fully paid ordinary securities issued in the relevant period with approval under rule 7.1 or rule 7.4. This does not include an issue of fully paid shares under the entity's 15% placement capacity without shareholder approval;
- plus the number of partly paid ordinary securities that became fully paid in the relevant period; and
- less the number of fully paid ordinary securities cancelled in the relevant period.

Note that 'A' has the same meaning in Listing Rule 7.1 when calculating an entity's 15% placement capacity.

D is 10%

E is the number of equity securities issued or agreed to be issued under Listing Rule 7.1A.2 in the relevant period where the issue or agreement has not been subsequently approved by the holders of its ordinary securities under ASX Listing Rule 7.4;

Shareholders should note that the calculation of the number of Equity Securities permitted to be issued under the 10% Placement Facility is a moving calculation and will be based on the formula set out in Listing Rule 7.1A.2 at the time of issue of the Equity Securities.

Specific information required by Listing Rule 7.3A

Pursuant to ASX Listing Rule 7.3A, the following information is provided in relation to Resolution 12.

Placement Period

If Shareholder approval is granted for Resolution 12, that approval will expire at the end of the 10% Placement Period as described further above.

Minimum Price

The Equity Securities will be issued at an issue price of not less than the Minimum Price as described further above.

Purpose

The Company may seek to issue the Equity Securities for cash consideration, in order to raise funds for the acquisition of new assets or investments (including expenses associated with such acquisitions), to expedite development of the Company's business and for general working capital.

Dilution

Shareholders should be aware that there is a risk of economic and voting dilution that may result from an issue of Equity Securities under the 10% Placement Facility, including the risk that:

- (i) the market price for Equity Securities may be significantly lower on the date of the issue than on the date of the meeting where approval is sought (i.e. the date of this Meeting); and
- (ii) the Equity Securities may be issued at a price that is at a discount to the market price on the issue date,

which may have an effect on the amount of funds raised by the issue of Equity Securities under the 10% Placement Facility.

Any issue of Equity Securities under the 10% Placement Facility will dilute the interests of Shareholders who do not receive any Equity Securities under the issue.

The table below shows the potential dilution of existing Shareholders calculated in accordance with the formula outlined in ASX Listing Rule 7.1A.2 on the basis of the market price of Shares (as at close of trade on 4 October 2024 (**Issue Price**)) and the current number of Shares on issue as at the date of this Notice of Meeting.

The table also shows the voting dilution impact where the number of Shares on issue (variable A in the formula) changes and the economic dilution where there are changes in the issue price of Shares issued under the 10% Placement Facility.

Variable 'A'	Number of Shares issued and funds raised under the Additional 10% Placement Capacity and dilution effect	Dilution		
		\$0.225 Issue Price at half the current market price	\$0.45 Issue Price at current market price	\$0.90 Issue Price at double the current market price
Current Variable 'A' 89,750,000 Shares	Shares issued	8,975,000	8,975,000	8,975,000
	Funds raised	\$2,019,375	\$4,038,750	\$8,077,500
	Dilution	10%	10%	10%
50% increase in Current Variable 'A' 134,625,000 Shares	Shares issued	13,462,500	13,462,500	13,462,500
	Funds raised	\$3,029,062	\$6,058,125	\$12,116,250
	Dilution	10%	10%	10%
100% increase in Current variable 'A' 179,500,000 Shares	Shares issued	17,950,000	17,950,000	17,950,000
	Funds raised	\$4,038,750	\$8,077,500	\$16,155,000
	Dilution	10%	10%	10%

The table also shows:

- two examples where variable "A" has increased, by 50% and 100%. Variable "A" is based on the number of Shares the Company has on issue as at the date of this Notice of Meeting. The number of Shares on issue may increase as a result of issues of ordinary securities that do not require Shareholder approval, for example, a pro rata entitlement offer or future specific placements under Listing Rule 7.1 that are approved at a future Shareholders' meeting; and
- two examples of where the issue price of Shares has decreased by 50% and increased by 100% as against the Issue Price.

The table above has been prepared on the following additional assumptions:

- the Company issues the maximum number of Shares available under the 10% Placement Facility; and
- the table shows only the effect of issues of Shares under ASX Listing Rule 7.1A, not under the 15% placement capacity under ASX Listing Rule 7.1.

Allocation Policy

The allottees of the Equity Securities to be issued under the 10% Placement Facility have not yet been determined. However, the allottees could consist of current Shareholders or new investors (or both).

The identity of the allottees of Equity Securities will be determined on a case-by-case basis having regard to a range of factors including:

- the purpose of the issue;

- the methods of raising funds that are available to the Company, including but not limited to, a rights issue or other issue in which existing security holders can participate;
- the effect of the issue of the Equity Securities on the control of the Company;
- the circumstances of the Company, including the financial situation and solvency of the Company;
- the ASX Listing Rules and applicable law;
- prevailing market conditions; and
- advice from corporate, financial and broking advisers (if applicable).

Prior approval and issues under 7.1A.2

The Company has not previously obtained Shareholder approval under Listing Rule 7.1A nor has it issued any Equity Securities in the 12 months preceding this Meeting under Listing Rule 7.1A.2.

Voting exclusion statement

As at the date of this Notice of Meeting, the Company is not proposing to make an issue of Equity Securities under Listing Rule 7.1A2. Accordingly, there is no exclusion statement in respect of Resolution 12.

Recommendation

Resolution 12 is a special resolution, requiring approval of 75% of the votes cast by Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative) in order to be passed.

The Directors unanimously recommend that Shareholders vote in favour of Resolution 12.

YOUR VOTE IS IMPORTANT

For your proxy appointment to be effective it must be received by **4:00pm (AEDT) on Tuesday, 26 November 2024.**

Proxy Form

How to Vote on Items of Business

All your securities will be voted in accordance with your directions.

APPOINTMENT OF PROXY

Voting 100% of your holding: Direct your proxy how to vote by marking one of the boxes opposite each item of business. If you do not mark a box your proxy may vote or abstain as they choose (to the extent permitted by law). If you mark more than one box on an item your vote will be invalid on that item.

Voting a portion of your holding: Indicate a portion of your voting rights by inserting the percentage or number of securities you wish to vote in the For, Against or Abstain box or boxes. The sum of the votes cast must not exceed your voting entitlement or 100%.

Appointing a second proxy: You are entitled to appoint up to two proxies to attend the meeting and vote on a poll. If you appoint two proxies you must specify the percentage of votes or number of securities for each proxy, otherwise each proxy may exercise half of the votes. When appointing a second proxy write both names and the percentage of votes or number of securities for each in Step 1 overleaf.

A proxy need not be a securityholder of the Company.

SIGNING INSTRUCTIONS FOR POSTAL FORMS

Individual: Where the holding is in one name, the securityholder must sign.

Joint Holding: Where the holding is in more than one name, all of the securityholders should sign.

Power of Attorney: If you have not already lodged the Power of Attorney with the registry, please attach a certified photocopy of the Power of Attorney to this form when you return it.

Companies: Where the company has a Sole Director who is also the Sole Company Secretary, this form must be signed by that person. If the company (pursuant to section 204A of the Corporations Act 2001) does not have a Company Secretary, a Sole Director can also sign alone. Otherwise this form must be signed by a Director jointly with either another Director or a Company Secretary. Please sign in the appropriate place to indicate the office held. Delete titles as applicable.
